In all cases, Business Associate shall request and disclose PHI only in a manner that is consistent with guidance issued by the Secretary from time to time.

Furthermore, any specific listing of duties or functions to be performed by Business Associate for Covered Entity contained in a separate contract (or addendum thereto) between the Parties is hereby incorporated by reference into this Agreement for the sole purpose of further elaborating duties and functions that Business Associate is contractually undertaking on behalf of the Covered Entity.

In all instances, Business Associate shall not use or disclose PHI and/or ePHI obtained from Covered Entity in a manner that would violate the Security and Privacy Rule of HIPAA, the HITECH Act, or the pertinent regulations of HHS.

### **III. OBLIGATIONS OF COVERED ENTITY**

- a. *Notice of Privacy Practices.* Covered Entity shall notify Business Associate of any limitation(s) in Covered Entity's notice of privacy practices that are produced in accordance with 45 C.F.R 164.520 (as well as any changes to that notice), to the extent that such limitation(s) may affect Business Associate's use or disclosure of Protected Health Information.
- b. *Revocation of Authorization.* Covered Entity shall provide Business Associate with any changes in, or revocation of, permission by an Individual to use or disclose Protected Health Information, to the extent that such changes affect Business Associate's use or disclosure of PHI and/or ePHI.

### **IV. AUDITS, INSPECTION AND ENFORCEMENT**

Covered Entity, after providing ten (10) business days written notice, may inspect the facilities, systems, books, records, agreements, policies, and procedures relating to the use or disclosure of PHI pursuant to this Agreement for the purpose of determining whether the Business Associate has complied with this Agreement.

### **V. TERM AND TERMINATION**

- a. *Term.* The Term of this Agreement shall be effective as of the compliance date set out in applicable regulations, and subject to any extension obtained by either Party, or granted under the regulations; and shall terminate when all of the PHI provided by Covered Entity to Business Associate, or created/received by Business Associate on behalf of Covered Entity, is destroyed or returned to Covered Entity, or, if it is infeasible to return or destroy PHI, protections are extended to such information in accordance with the termination provisions in this Section.
- b. *Termination for Cause.* Upon Covered Entity's knowledge of a material Breach by Business Associate, Covered Entity shall either:
  - i. Provide an opportunity for Business Associate to cure the Breach or end the violation, and terminate this Agreement if Business Associate does not cure the Breach or end the violation within the time specified by Covered Entity;
  - ii. Immediately terminate this Agreement if Business Associate has breached a material term of this Agreement, and a cure is not possible; or
  - iii. If neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

c. *Effect of Termination.*

- i. Except as provided in paragraph (c)(ii) of this section, upon termination of this Agreement, for any reason, Business Associate shall return or destroy all PHI received from Covered Entity, or created or received by Business Associate on behalf of the Covered Entity at the end of 7 years. This provision shall apply to PHI that is in the possession of subcontractors or agents of Business Associate. Business Associate shall retain no copies of the PHI.
- ii. In the event that Business Associate determines that returning or destroying the PHI is infeasible, Business Associate shall provide to Covered Entity written notification of the conditions that make return or destruction infeasible. After written notification that return or destruction of PHI is infeasible, Business Associate shall extend the protections of this Agreement to such PHI, and limit further uses and disclosure of such PHI to those purposes that make the return or destruction infeasible, for so long as Business Associate maintains such PHI.
- iii. Should Business Associate make a disclosure of PHI in violation of this Agreement, Covered Entity shall have the right to immediately terminate any contract, other than this Agreement, then in force between the Parties.

**VI. DISCLAIMER**

Business Associate makes no warranty or representation that compliance by Covered Entity with this Agreement, HIPAA, the HITECH Act, or the Privacy and Security Rules will be adequate or satisfactory for Covered Entity's own purposes. Covered Entity is solely responsible for all decisions made by Covered Entity regarding the safeguards of PHI and/or ePHI.

**VII. NO THIRD PARTY BENEFICIARIES**

Nothing expressed or implied in this Agreement is intended to confer, nor shall anything herein confer, upon any person other than Covered Entity, Business Associate, and their respective successors and assigns, any rights, remedies, obligations, or liabilities whatsoever.

**VIII. CHANGE IN APPLICABLE LAWS OR REGULATIONS**

In the event the laws or regulations of the United States or the State in which the majority of services are rendered are modified or amended in any material way with respect to this Agreement, this Agreement shall not be terminated but rather, to the extent feasible, shall be promptly amended by the Parties to operate in compliance with the existing law. The Parties acknowledge that their responsibilities under this Agreement may be affected and governed by the requirements of HIPAA and/or the HITECH Act, to the extent that regulations implementing HIPAA and/or the HITECH Act (the "Regulations") become effective during the Term of this Agreement or any renewal thereof. Both Parties agree that, upon the effective date of any such obligations applicable to each of them under such Regulations pursuant to their responsibilities hereunder. To the extent any amendments to this Agreement shall be necessary to effectuate or clarify the obligations of the Parties pursuant to such Regulations; the Parties hereby agree to negotiate such amendments in good faith, subject to the right of either Party to terminate this Agreement in accordance with its terms.

**IX. REMEDIES IN THE EVENT OF A BREACH**

Business Associate hereby recognizes that irreparable harm will result to Covered Entity, and to the business of Covered Entity, in the event of Breach by Business Associate of any of the covenants and assurances contained in Section II of this Agreement. As such, in the event of Breach of any of the covenants and assurances contained in Section II above, Covered Entity shall be entitled to enjoin and restrain Business Associate from any continued violation of Section II. Furthermore, in the event of Breach of Section II by Business Associate, Covered Entity will be entitled to reimbursement and indemnification from Business Associate for the Covered Entity's reasonable attorneys' fees and expenses and costs that were reasonably incurred as a proximate result of the Business Associate's Breach. The remedies in this Paragraph shall be in addition to (and not to supersede) any action for damages Covered Entity may have for Breach of any part of this Agreement.

**X. MODIFICATION**

This Agreement may only be modified through a written notice signed by the Parties and, thus, no oral modification hereof shall be permitted. The Parties agree to take such action as is necessary to amend this Agreement from time to time as is necessary for Covered Entity to comply with the requirements of the Privacy Rule and the Health Insurance Portability and Accountability Act of 1996, Pub. L. No. 104-191.

**XI. INTERPRETATION**

Should there be any conflict between the language of this contract and any other contract entered into between the Parties (either previous or subsequent to the date of this Agreement), the language and provisions of this Agreement shall control and prevail, unless in a subsequent written agreement the Parties specifically refer to this Agreement by its title and date, and, also, specifically state that the provisions of the later written agreement shall control over this Agreement. Any ambiguity in this Agreement shall be resolved in favor of a meaning that permits Covered Entity and Business Associate to comply with the Privacy and Security Rules and/or the HITECH Act.

**XII. MISCELLANEOUS**

- a. Nothing in this Agreement shall be construed as an admission on the part of either Party that the relationship between the Covered Entity and the Business Associate is one of “Covered Entity” and “Business Associate” as those terms are known and construed under HIPAA, the HITECH Act, and pertinent regulations issued by the Secretary. However, the duties and obligations of Business Associate under this Agreement remain in full force and effect, regardless of whether or not the relationship between the Parties is determined to be one between a “Covered Entity” and a “Business Associate” as those terms are known and construed under HIPAA, the HITECH Act, and pertinent regulations issued by the Secretary.
- b. Any ambiguity in this Agreement shall be resolved to permit Covered Entity and Business Associate to comply with HIPAA, the HITECH Act, and the Security and Privacy Rule.
